PROFESSIONAL SUMMARY

Python Developer with hands-on experience in Django, REST API development, and MySQL. Skilled in building scalable web applications, implementing authentication systems, and developing backend services. Passionate about creating efficient, user-focused solutions and eager to contribute to a dynamic development team.

TECHNICAL SKILLS

- **Languages:** Python
- **Frameworks:** Django, Flask, Django REST Framework (DRF)
- **Web Technologies:** HTML, CSS, Basic JavaScript
- **Database:** MySQL
- **Tools:** Git, Postman, Swagger, PyCharm
- **Concepts:** OOP, MVC Architecture, REST API Development, CRUD Operations, SDLC (Agile)
- **Testing:** Unit Testing (Unittest)

PROFESSIONAL EXPERIENCE

Software Developer Intern

NeoSOFT Pvt. Ltd., India

Duration: 4 Months

- Developed backend modules using **Python and Django** following MVC architecture
- Designed and implemented **RESTful APIs** for seamless frontend-backend integration
- Built reusable and scalable components for web applications
- Worked with **MySQL database** for data storage, retrieval, and optimization
- Participated in **unit testing, debugging, and performance optimization**
- Collaborated in an **Agile development environment**, contributing to sprint tasks

PROJECTS

🔗 ShopEase – E-Commerce Web Application

Technologies: Python, Django, MySQL, REST APIs

- Developed a full-stack e-commerce web application with user-friendly features
- Implemented **user authentication & authorization (login/signup system)**
- Built **product listing, search, and filtering functionality**
- Designed and managed **shopping cart and order processing system**
- Created REST APIs to handle client-server communication
- Optimized backend logic for better performance and scalability

EDUCATION

M.Tech in Electronics
Nagpur University, India

B.E in Electronics & Telecommunication
Amravati University, India

ADDITIONAL STRENGTHS

- Strong analytical and problem-solving skills
- Quick learner with ability to adapt to new technologies
- Good understanding of software development lifecycle
- Highly motivated and goal-oriented

PERSONAL DETAILS

- Date of Birth: 30 June 1989
- Languages: English
